Hello College Class of 2024,

It is time to meet your **pre-major** and **peer advisors**! You will need to move through **Compass** to Module 4: "Summer Advising" and complete the first four steps in that module. Once you have completed these steps, you can log in to see the contact information for your pre-major and peer advisors.

Please make arrangements with your pre-major advisor to begin your advising conversations by phone or videochat. You will need to discuss your courses with your pre-major advisor before **Advance Registration ends on July 17th** in order to request courses for the fall.

You can also direct your families to the **College Families page** which will help answer questions they may have about supporting you in your transition to Penn.

If you have any questions, please contact your peer or pre-major advisor or you can leave a message for the College office at 215-898-6341 or email us at college@sas.upenn.edu.

Welcome to academic life and advising in the College at Penn. We look forward to the next four years with you.

Sincerely,

The College
