SAIP (Society for African Internationals Penn) Welcomes the Class of 2021 to Penn
SAIP (Society for African Internationals at Penn) was founded to be a platform for voices of African Internationals to be heard as well as to educate people on campus about African culture and history. We work to help and guide new international students as the face the difficulties and struggles that come with being in a school far away from home. SAIP strives to help all African International students to build a professional network and jumpstart the Penn journey with a group supportive individuals from similar backgrounds. SAIP welcomes you to Penn! We hope the next four years are going to be amazing for you!

Immunization Records Submission Deadline
The deadline for submitting immunization records for incoming Fall 2017 students is July 1, 2017. The University of Pennsylvania requires all incoming full-time and all students living in campus housing to be compliant with these requirements. Students will submit this information via a secure website. To submit your immunization records, log into the SHS portal.
Email and Privacy

Welcome to Penn! Now that you have completed (or nearly completed) your senior year of high school, you’ll be getting lots of information to help with your transition to college. Student Registration and Financial Services wants to make sure you take care of these two items right away:

1) Set up your Penn email. This is the best way to make sure you don’t miss important information this summer. Please complete by Friday, June 23rd.

2) Make sure that your privacy information and settings are reflected in Penn InTouch.

3) Penn.Pay is Penn’s electronic billing and payment system. As a student, you can access Penn.Pay with your PennKey. To enable others (such as your parents) to also receive and/or pay your bill, and view new activity on a daily basis, you must ‘invite’ them as an ‘other payer’. From Penn InTouch, select Student Billing Account, then Paying Your Bill/Penn.Pay.
